Notice Regarding ALOS-2 Observation Images During Maintenance Operations

October 15, 2026

Please be advised that ALOS-2 maintenance operation will be conducted during the period specified below. During this period, since specific observations for maintenance operation will be performed, nominal observation operations will be suspended and new observation (new tasking) requests will not be accepted. In addition, ALOS-2 observation data acquired during this period will be non-calibrated data and JAXA will not guarantee the quality of data. If you request the data during this period, please understand this limitation

- **Maintenance Period: October 19, 2026 - November 15, 2026**

We apologize for any inconvenience this may cause and appreciate your understanding and cooperation. We will provide further updates if there are any changes to the maintenance schedule.
If you have any questions, please feel free to contact us.
Thank you for your continued support.
